

312.3 Apportionment to counties and cities.

The treasurer of state shall, on the first day of each month:

1. For the fiscal year ending June 30, 2006, apportion among the counties the road use tax funds credited to the secondary road fund by using the allocation method contained in [section 312.3, subsection 1](#), Code 2005. For subsequent fiscal years, apportion among the counties the road use tax funds credited to the secondary road fund by using the distribution methodology adopted pursuant to [section 312.3C](#).

2. a. Apportion among the cities of the state, in the ratio which the population of each city, as shown by the latest available federal census, bears to the total population of all such cities in the state, the percentage of the road use tax funds which is credited to the street construction fund of the cities, and shall remit to the city clerk of each such city the amount so apportioned to such city. A city may have one special federal census taken each decade, and the population figure thus obtained shall be used in apportioning amounts under [this subsection](#) beginning the calendar year following the year in which the special census is certified by the secretary of state.

b. The apportionment of moneys from the street construction fund of the cities to a city with a farm-to-market extension under county jurisdiction pursuant to [section 306.4](#) shall be reduced in the proportion which the share of mileage of the farm-to-market extension bears to the total mileage of streets within the city. The amount of moneys by which the apportionment to the city is reduced shall be transferred to the secondary road fund of the respective county, to be used only for the maintenance or construction of roads under the county's jurisdiction, and all interest and earnings on the moneys transferred shall remain in the secondary road fund of the county, to be used for the same purposes.

c. The apportionment of moneys from the transfer of jurisdiction fund pursuant to [section 313.4, subsection 6](#), paragraph "b", subparagraph (1), to a city with a street under county jurisdiction pursuant to [section 306.4, subsection 3](#), shall be transferred to the secondary road fund of the respective county.

d. For purposes of apportioning among the cities of the state the percentage of the road use tax fund to be credited to the street construction fund of the cities for each month beginning March 2011 and ending March 2021 pursuant to [this subsection](#), the population of each city shall be determined by the greater of the population of the city as of the last preceding certified federal census or as of the April 1, 2010, population estimates base as determined by the United States census bureau.

3. In any case where a city has been incorporated since the latest available federal census the mayor and council shall certify to the state treasurer the actual population of such incorporated city as of the date of incorporation and its apportionment of funds under [this section](#) shall be based upon such certification until the next federal census enumeration. Any community which has dissolved its corporation shall not receive any apportionment of funds under this certificate for any period after said corporation has been dissolved.

4. In any case where a city has annexed any territory since the last available federal census or special federal census, the mayor and council shall certify to the treasurer of state the actual population of such annexed territory as determined by the last certified federal census of said territory and the apportionment of funds under [this section](#) shall be based upon the population of said city as modified by the certification of the population of the annexed territory until the next federal or special federal census enumeration.

5. In any case where two or more cities have consolidated, the apportionment of funds under [this section](#) shall be based upon the population of the city resulting from said consolidation and shall be determined by combining the population of all cities involved in the consolidation as determined by the last available federal or special federal census enumeration for said consolidating city.
